

Instructions for Listening to Podcasts on Portable Devices

On any smartphone and tablet with internet connectivity:

1. Open your internet browser
2. Search for bibleinteract.tv/radio/podcasts - this should take you directly to the page. If not, it will be the first search result.
3. There are two free teachings that change every month. If you would like to listen to the rest of the teachings, login with your member username and password by touching the person icon on the top right of the page. If you would like access to all the podcasts and video teachings, consider becoming a member for only \$8.95 a month.

On any Apple device, desktop or laptop with internet connectivity and itunes installed:

Copy and paste the following link to subscribe to our podcast via itunes and you will receive new podcasts as we publish them:
