Session 1: Vocabulary Made Easy and a Noun Sentence

Session 1: Vocabulary Made Easy and a Noun Sentence

Our brains learn in three ways – visual, auditory, analytical. You will inevitably be strongest in one of these, and should rely heavily on your strength. However, try using all three to help you internalize Hebrew words. We will practice with twelve words that you should speak aloud as you learn to memorize them. Once you know some words, you can make a sentence!

No longer shall your name be called Abram
but your name shall be **Abraham**; for **I** will
make **you** the **father** of a multitude of nations
